

```
yy::genesyspp_parser  
::make_fEXPO
```

```
graph RL; while[while] --> make_fEXPO[yy::genesyspp_parser::make_fEXPO];
```

A diagram showing a control flow. On the right, a white rectangular box with a black border contains the word "while". A dark blue arrow points from the left side of this box to the right side of a larger, gray rectangular box with a black border on the left. The gray box contains two lines of text: "yy::genesyspp\_parser" on the top line and "::make\_fEXPO" on the bottom line.
