

List::last

ExperimentDesign_BrunoBonotto
_JoaoSouto::generate2krScenarioExperiments

```
graph LR; A["ExperimentDesign_BrunoBonotto  
_JoaoSouto::generate2krScenarioExperiments"] --> B["List::last"]
```

The diagram illustrates a function call. A large rectangular box on the right contains the text "ExperimentDesign_BrunoBonotto" on the first line and "_JoaoSouto::generate2krScenarioExperiments" on the second line. A dark blue arrow points from the left side of this box to a smaller, shaded rectangular box on the left. This smaller box contains the text "List::last".
