

FitterFabiola::setDataFilename

```
graph LR; A[FitterFabiola::setDataFilename] --> B[CollectorDatafile_if::setDataFilename]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'FitterFabiola::setDataFilename'. The right box is white with a black border and contains the text 'CollectorDatafile_if::setDataFilename'. A dark blue arrow points from the right side of the left box to the left side of the right box.

CollectorDatafile_if
::setDataFilename
