

```
yy::genesyspp_parser  
::make_fSIN
```

while

```
graph RL; while[while] --> make_fSIN[yy::genesyspp_parser::make_fSIN];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is shaded gray and contains the text 'yy::genesyspp\_parser' on the top line and '::make\_fSIN' on the bottom line. The box on the right is white and contains the text 'while'. A dark blue arrow points from the right side of the 'while' box to the right side of the gray box.
