

```
yy::genesyspp_parser  
::make_MINUS
```

```
graph RL; while[while] --> make_MINUS[yy::genesyspp_parser::make_MINUS];
```

A diagram showing a flow from a 'while' loop to a function call. A white rectangular box on the right contains the word 'while'. A dark blue arrow points from the left side of this box to the right side of a larger, light gray rectangular box. The gray box contains the text 'yy::genesyspp_parser' on the top line and '::make_MINUS' on the bottom line.
