

```
yy::genesyspp_parser  
::make_fWEIB
```

```
graph RL; while[while] --> make_fWEIB[yy::genesyspp_parser::make_fWEIB];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from right to left. The box on the right is white with a black border and contains the text 'while'. The box on the left is light gray with a black border and contains the text 'yy::genesyspp\_parser' on the top line and '::make\_fWEIB' on the bottom line. A dark blue arrow points from the right side of the 'while' box to the right side of the gray box.
