```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from right to left. The box on the right is white with a black border and contains the text 'while'. The box on the left is light gray with a black border and contains the text 'yy::genesyspp_parser' on the top line and '::make_fCOS' on the bottom line. A dark blue arrow points from the right side of the 'while' box to the right side of the gray box.
